**Pulmo Max Gold enriched with  
Tulsi leaf extract, Ginger root extract, Garlic extract  
Noni extract, Grapeseed extract and Ginseng extract.**

### **Advantages of PulmoMax powder:**

**Pulmo Max contains N Acetylcysteine which is an excellent anti-oxidant and is converted in the body into metabolites capable of stimulating glutathione synthesis, promoting detoxification, and acting directly as a free radical scavenger. Administration of this nutrient has historically been as a mucolytic (mucus dissolving) agent in a variety of respiratory illnesses like bronchitis, emphysema, bronchopneumonia and ARDS.**

**Noni extract:** Noni helps in cell regeneration and improves overall immune system. It is an effective anti-oxidant, anti-inflammatory, anti-bacterial, anti-viral properties protecting the lung from infections and helps in healing the lungs (post infection).

**Tulsi Extract:** Tulsi's health properties are famous, it is good for the whole bronchial system, any weaknesses in lungs and breathing, it also boosts the immune system.

**Ginger Extract:** Ginger contains antiviral compounds that may help destroy influenza and cold-causing viruses. Ginger also

helps to boost the immune system, supporting the production of natural antibacterial and antiviral compounds.

**Garlic Extract:**Garlic contains chemical compounds that offer powerful antibiotic and antiviral properties. These compounds may improve your body's ability to destroy cold and flu viruses . Garlic may also improve circulation, helping your circulatory system deliver vital nutrients, oxygen and hydration to your body's cells.

**Ginseng Extract:** improve physical as well as mental condition, they help to eliminate tiredness and deal with the feelings of exhaustion more easily.

**PulmoMax** contains Colostrum which has several immune factors (such as immunoglobulin IgA, IgD, IgE, IgG, and IgM) and gives specific immunity (antibodies) to diseases caused by bacteria, viruses, yeasts and fungus.

**Pulmo Max** contains powerful antioxidants like colostrum, grapeseed extract ,citrus bioflavanoids, betacarotene and CoQ10 that fight dangerous free radicals in the human body by stimulating the immune system and provides protection against them.

**Vitamin D:**Vitamin D may help decrease the incidence and severity of respiratory tract infections caused by viruses, including influenza.

**Vitamin C:**Vitamin C is an immune-enhancing vitamin and may help prevent viral infections such as colds and flu or bronchitis.

**Vitamin A:**Vitamin A is also a powerful antioxidant nutrient that helps heal inflamed mucus membranes and strengthens the

immune system. It also protect against colds, flu and infections of the lungs.

**Zinc:**Zinc may help boost your immune system and reduce the symptoms of colds and influenza.

**Pulmo Max** has natural vitamins and herbal supplements and hence it has no side effects to the body.
